A -MANAGED BUY & SELL PROGRAM

PROGRAM -1-ENTRY LEVEL AT \$3M

\$3M need to be transferred to the designated law office for activating the Program

This Program has been created to facilitate the entry for the 44M Managed Buy & Sell

Generated Profit : \$60M

Please find below the Step by Step procedure :

Investor signs a contract with a Company (the "Manager") in which he declares to be ready to provide the Manager with good, clean, clear, and unencumbered funds of non-criminal origin for participation in a Managed Leased/Monetization Program (the "Transaction").

Manager will transact with both a Provider who will deliver a Leased Standby Letter of Credit (SBLC) and with a Monetizer who will monetize such SBLC. The transaction will be completed within twenty- five (25) banking days.

The Manager will manage and complete the Transaction which relies on the following back-stage process: 1. Signature of the contract between Investor and Manager.

 Transfer of 3M€ (the "funds") to the Lawyer's IOLTA bank account in the US. The fees concerning the receipt of the 3M€ by the Lawyer in the US will be at the sole charge and costs of the Manager.

3. Signature of the Escrow Agreement between the Manager, the Provider, and the Lawyer/Escrow Agent.

4. Signature of a deed of agreement between the Manager, the Provider and between the Manager and the Monetizer.

5. Managers request the Lawyer to transfer the funds to the Lawyer/Escrow Account.

6. Provider issues the SBLC in favor of the Monetizer.

7. Provider receives from the Monetizer's bank by MT799, an unconditional and irrevocable confirmation that the funds are ready to be used in acquiring the SBLC. 8. Lawyer/Escrow Agent transfer the funds to the Provider against the issuance of the SBLC

9. Monetizer will monetize the SBLC.

10. Monetizer will, within 7 banking days, pay the Manager the agreed amount.

11. Manager will, within the 25 business days mentioned in the contract signed between the Investor and the Manager, have the agreed amount transferred by the Monetizer to the US Lawyer/ Paymaster.

12. The US Lawyer/Paymaster will disburse to the Investor and all the intermediaries their respective shares as per the signed fees agreements.

PROGRAM -2-ENTRY LEVEL AT EUR 44M

EUR 44M need to be transferred to the Provider for buying the first EUR 100M SBLC at HSBC London for activating the Program for a EUR 5B contract with the provider and for the Exit Buyer. Documents required for the submission:

- 1- Fully update CIS
- 2- LOI

PROGRAM -3-ENTRY LEVEL AT EUR 100M or +

Managed buy & sell program without moving funds from your bank account. Documents required for the submission:

- 1- Fully update CIS
- 2- LOI
- 3- Proof of Funds

Generated Profit:100% per month

40week buy-sell Trade that has the possibility to be extended for 5 years paying 100% per month Net to the client, this is paid out at 25% every Friday of the month.

We require a CIS with passport and bank statement that can be verified.

The contract is with R&A which means the Client can add to the seed trading amount whenever the client wishes to increase your monthly returns.

Bullets are subject to ability.

We can open accounts for you in major banks for your returns and companies if required.

The ways in which can collaborate with clientsare as follows:

The trader can be added to the account on a non-depletive signatory Basis or NDS to wealth manage the trade for the client. A sub account can be added to the clients main account under the name of the trader's company, the trader would be the named person on this account, the amount to be used for trade would be transferred into this account for the trader to wealth manage in Trade for the Client.

The funds can be transferred to one of our trading accounts under contract where we would represent the client directly to Trade.

We can open trading accounts in the client's bank once documentation has been verified so funds can be transferred to assist the client to trade.

At all times the client is speaking directly with the trader, the trader will personally construct the trading contract for the client and the client will always be the one signing the final trading contract.
